NORJAK

On 4/10/72 I called SAC CALAME at Salt Lake City and advised him that in examining the photograph of the subject of the SALJAK case, it appeared that he had a striking resemblance to the subject of the NORJAK case. I asked him to forward photographs of the subject to us immediately, to Portland and Minneapolis, for display to the witnesses and to establish the whereabouts of MCCOY during the pertinent period.

SAC CALAME called me back and advised that in examining the material obtained during their investigation, they have determined that MCCOY is a makeup artist. One of the stewardesses in their case described the subject as being swarthy or dark or possibly a Mexican. He had a dark mustache. However, they have located some mustache paste in his effects.

In addition, they have determined that using the name of R. MCCOY, which is his name, he made a flight from Salt Lake City to Denver and the same flight from Denver to Los Angeles one week earlier on the same airlines.

The similarities in the SALJAK and NORJAK cases are striking in that in both cases he asked for 2 back packs and 2 chest pack parachutes. In addition, he requested the UAL to give him his own luggage from the plane's cargo department before they departed, and his own parachute and jump suit, helmet and flares, together with 100 ft. of rope in his luggage. SAC CALAME speculates that the subject in the SALJAK case tied the money in his other effects, together, and when he was ready to leave the plane let them descent first, hung onto the rope, just before he landed dropped them and he could make the landing safely. In addition, he dropped 2 parachutes which they have not located. One parachute was located in Nevada and one near where he landed in Utah. The whereabouts of the other chutes are unknown.

164-81-2640

SAC CALAME is causing a check to be made of the UAL flights from Salt Lake City to Portland or Seattle for two weeks prior to 11/24/71. We should immediately commence inquiry to determine if an individual using the name of either DAN COOPER, D. COOPER, R. MCCOY or RICHARD MCCOY made a flight from ~~PORTLAND~~ to Seattle on NW flight 405 2 weeks prior to 11/24/71.

On 4/10/72 I called SAC HELD in Minneapolis.

I asked him to check the records of Northwest Airlines flights between Seattle and Portland both ways from November 10 through November 24, 1971, to see if there was any record of a DAN COOPER, D. COOPER, RICHARD FLOYD McCLOY, or any combination of those initials made such a flight, and to let us know.

I also advised SAC HELD that the Salt Lake City Office was forwarding a photograph of RICHARD FLOYD McCLOY to Minneapolis and asked him to locate the witnesses so the photographs could be displayed immediately.

I called SA [redacted] in Portland and advised him to make the same check with respect to the witness there and to show the photograph of McCLOY to the witness as soon as received.

On 4/10/72 I talked to Mr. SCHUTZ at the Bureau.

I told him of the likeness of RICHARD FLOYD MCCOY to the artist's conception of the UNSUB in the captioned case. I advised him we were checking the flights from Portland to Salt Lake City and Portland to Seattle for two weeks prior to 11/24/71 to see if the UNSUB had made a similar pre-trial flight to that made by FLOYD MCCOY in the SALJAK case.

I also advised him that we were having the photographs sent here so that we could display them to the witnesses, and had arranged for the Minneapolis and Portland Offices to do the same thing.

On 4/10/72 I talked to SAC CALAME and SA [redacted] in Salt Lake City; SAC CALAME advised that the black and white as well as Polaroid pictures of McCOY were being forwarded by air courier to Seattle on the morning of 4/11/72. The colored pictures would be sent later.

In response to SA [redacted] request, I had Mr. BIBLER check the file and advise SA [redacted] that in searching the plane on arrival at Reno, the contents of the ashtray were sent to the Laboratory and the report reflected that there were 8 Raleigh cigarettes with no latent fingerprints on wrappers. I told SA [redacted] to check United Airlines flight and Air West Flight from Portland to Salt Lake City and return from November 10 through November 27, 1971, to see if there was any record of RICHARD FLOYD McCOY or DAN COOPER making that flight.

On 4/12/72 I called SA HENRY SCHUTZ at the Bureau.

I advised him that the 3 stewardess witnesses in Minneapolis had observed the photograph of RICHARD FLOYD MCCOY and advised that he was not identical with the NORJAK subject.

I told him that one witness here had observed certain similarities between the photograph of MCCOY and the NORJAK subject; however, this witness, [redacted] said that if MCCOY were wearin a wig and had cosmetic makeup, it would change his complexion to a darker shade and there would be more similarity.

b6  
b7C

Witness [redacted] advised that after viewing the photograph of MCCOY, he would eliminate MCCOY as a suspect in NORJAK. He did say there were facial similarities but based on the photograph displayed to him of MCCOY, he would be eliminated as a suspect.

b6  
b7C

A 3rd witness here was unable to identify MCCOY as the subject of NORJAK.

I told Mr. SCHUTZ that in spite of this, in view of the obvious similarity in the two cases, together with the apparent similarities of MCCOY's photograph to that of the artist's sketch, I thought we should immediately establish positively his whereabouts during the pertinent period through independent witnesses, and that we would continue the investigation endeavoring to determine if MCCOY had made a pre-hijacking flight from Salt Lake City to Portland and return and/or from Portland to Seattle and return.

I advised him later some time today we would send him a teletype concerning this matter.

PRINCIPAL WITNESS ADVISES THIS POSSIBLY BELONGED TO THE UNSUB. THIS TIE WAS AN INEXPENSIVE TIE WHICH BORE THE LABEL "TOWN CRAFT" WHICH ARE SOLD AT J. C. PENNY DEPARTMENT STORES. INVESTIGATION DETERMINED THIS TIE HAD BEEN PURCHASED ABOUT A YEAR OR ONE-HALF AGO. TIE AND CLASP BEING MAINTAINED AS EVIDENCE BY LAS VEGAS OFFICE. SALT LAKE CITY

TO DETERMINE IF THE TIE AND CLASP COULD BELONG TO MC COY.

SALT LAKE CITY DETERMINE IF MC COY HAS EVER BEEN EMPLOYED IN  
THE AIRCRAFT INDUSTRY OR WITH ANY SUB-CONTRACTOR IN THIS INDUSTRY.  
BECAUSE OF THE KNOWLEDGE DEMONSTRATED BY THE HIJACKERS CONCERNING  
BOEING SEVEN TWO SEVEN AIRCRAFT, IT IS POSSIBLE THAT NORJAK  
SUBJECT IS A FORMER EMPLOYEE IN THE AIRCRAFT INDUSTRY.

THIS MATTER IS TO RECEIVE CONTINUOUS AND VIGOROUS ATTENTION

DATE: 4/20/72

FROM : SAC, SEATTLE

SUBJECT: NORJAK

*Suf: 386*

On 4/19/72 SAC CALAME called from Salt Lake City.

He advised that they had been unable to establish the whereabouts of RICHARD FLOYD MCCOY on 11/24/71, the day of the hijacking. They have noted that gas purchases were made with his credit card at Provo, Utah; Cedar City, Utah -and at Las Vegas, Nevada, for his automobile on 11/25/71, the last one being made at Las Vegas, Nevada, some time between 11:00 PM on 11/25/71, and 9:00 AM on 11/26/71. Further, MCCOY and [redacted] are inveterate users of credit cards, purchasing meals and other small items on credit cards, but they have been unable to locate any purchases on the credit cards for 11/24/71.

b6  
b7C

A long distance telephone call was made from a public phone in the Tropicana Motel at Las Vegas to MCCOY's home in Provo collect on 11/25/71. I suggested to them that they have Las Vegas find out who made the call since the Telephone Company maintains records on the identity of the caller.

They advised that [redacted] when shown the photograph of the necktie and tie clip found in the Northwest Airlines plane related that he had seen MCCOY wear similar ties. In addition, he said the tie clasp looks familiar but he cannot say for sure if MCCOY had one exactly like it.

b6  
b7C

During the conversation SAC CALAME suggested, and I agree, that we should check with the Army at Fort Lewis and at McChord AFB to see if MCCOY could have made any flights on a military plane arriving at McChord or Fort Lewis on November 22, 23 or 24, 1971, or made any flight from there on those dates or November 25 or 26, 1971.

b6  
b7C

In addition, steps should be initiated at once through the appropriate airline to determine if MCCOY using the name R. MCCOY, RICHARD FLOYD MCCOY, D. COOPER, DAN COOPER or J. JOHNSON, made any flights from either Seattle or Portland to San Francisco, Los Angeles, or Las Vegas subsequent to 8:15 PM on 11/24/71. This should be done at once.

## PLEASE HELP

The family of Richard Floyd McCoy, Jr., who is a native of Craven County in the Cove City area, are asking friends who would like to contribute to his legal defense, to send funds to Russell E. McCoy, Box 7, Cove City, N. C.

He has served his country in the army nine years and has three different missions to Vietnam. He was in the Special Forces, a helicopter pilot and suffered head wounds in action and underwent head surgery. He was awarded the Purple Heart and many other decorations.

He was attending Brigham Young University, Provo, Utah, as a law enforcement officer, and was to graduate in August 1972. His only funds for support was the G.I. bill. He has two minor children, ages 2 and 4, and his wife is in the hospital.

Your help will be greatly appreciated.

**\*\*CAUTION SUGGESTED\*\***

**\*\*Family may be uncooperative\*\***

McCoy was convicted of a copycat hijacking of a United Airlines flight in April, 1972 in which he successfully parachuted from that flight over Utah with \$500,000. McCoy was arrested/convicted of that offense and most of the hijack proceeds were recovered. McCoy later escaped from prison and was shot and killed in November, 1974 after drawing a weapon on FBI Agents attempting his arrest in Virginia Beach, Virginia. McCoy never claimed to have been COOPER, and there was significant differences in methodology between the two crimes. Evidence indicated McCoy was in Salt Lake City on 11/25/1971, and had possibly attended class at BYU on 11/24/1971. Some evidence exists that McCoy and his wife actually drove to Las Vegas on 11/24/1971. Although the weight of the evidence points toward the elimination of McCoy, speculation continued. In July, 1972 McCoy allegedly told his Pre-Trial officer in Salt Lake City prior to his receiving a 45 year sentence for the UAL hijacking, that he had done "another one". In light of some contradiction in evidence concerning McCoy, and the possibility that the differences in methodology between the hijacking can be partially explained as a possible natural refinement of methods, a DNA sample is being sought.

It is recognized that McCoy's family may still be uncooperative, and appropriate caution should utilized. During McCoy's trial in 1972, [REDACTED] testified against him. [REDACTED] at the time was [REDACTED] now remarried under the name [REDACTED] [REDACTED] may have assisted MCCOY immediately before his death while a fugitive. Perhaps with the passage of thirty
